

# IL-AFLAN VIRTUAL INFORMATION SESSIONS

The Illinois Armed Forces Legal Aid Network [IL-AFLAN] provides civil legal services across Illinois to eligible members of the military, veterans and their spouses or dependents. It is a network of more than 10 legal aid organizations and law school clinics from across the state.

Learn more about IL-AFLAN, how to guide eligible clients to get help through the network and how you can get involved to provide pro bono legal services. This program is intended for lawyers, judges and court personnel who want to know more about this important network.
