

Craig Pawley is currently the Vice President of Business Development for Medivest Allocation Services and Medivest Benefit Advisors. As an expert in this field, Craig has presented numerous training sessions on Professional Administration, Medicare Set-Asides, and SCHIP compliance to claims organizations, trial lawyer associations, insurance carriers, attorneys, third-party administrators, and self-insured companies. Craig has worked in the MSP Compliance field since 2005 and has fostered the completion of over 6000 Medicare Set-Aside allocations.
