The Law & Justice Center (LJC) is a 7-floor building housing the county courtrooms. Each school will be provided a conference room or set of meeting rooms for their students. Your room assignment will be in your check-in information. The courtrooms we will be using will be on the 3rd, 4th and 5th floors of the LJC. The Lincoln Parking Deck is located directly east of the LJC. It will not fit a typical school bus due to the low overhang. One block west of the LJC is the U.S. Cellular Coliseum / Pepsi Ice Center. Any buses should be able to stage in the open street areas near the Coliseum. South and west of the U.S. Cellular Coliseum is another parking deck if needed.

Friday, February 11, 2022 is the date of President Lincoln's Birthday and the McLean County Courts will observe this holiday. As many of you know, the regional mock trial event is held on this day each year because the courts, which are a State entity, are closed in observance of the day. However, the LJC remains open, as it is a County facility. This affects the cost of running the regional and allows us to offer it at no cost to you and your teams (other than your personal expenditures for transport, meals, etc.).

We will be using the current mock trial case and resources found at:
