Statement in Support of Nomination

I have served with Carrie for some years now on the 11th Circuitry Pro Bono Commission, which she currently chairs. At one of the last meetings I attended, there was a pro bono request to assist a disabled elderly veteran with a Will. Before the rest of us could volunteer, Carrie immediately said she would do it, even though she was handling all the responsibilities as Chair. She has also served on the Board of Directors of two very important service providers for the indigent and disabled. This is the type of person she is and that is why I am nominating her.

Individual achievements in the practice of law

Carrie has handled cases in both the state and federal Court systems in the areas of labor, employment, municipal law.
