Statement in Support of Nomination

I am a support/administrative person who works with Todd. I can speak to his community contributions as well as contributions Todd makes to the legal community in this geographic area. I can not speak to his individual law achievements, but he has given so much to the MCBA and community, I would like Todd to be considered for this award.

Todd leads the Continuing Legal Education Committee. His leadership style brings out the best in the committee membership! His guidance and humbleness is a great asset to providing CLE opportunities through the years!

When Mr. McElvain announced his move to retirement and stepping back from his role with PSLs in taking on conflict of interest cases. Todd was the first to offer help in this area and to take this over.

Todd is an important part of the GAL seminar committee. His gentle guide before, during and after the event is much appreciated.

Individual achievements in the practice of law

I am hoping that those who hold a place in this committee can speak to

Todd's excellence here.

Service to the MCBA-the Community-pro bono service

Please see the previous statement. Todd is such an asset to the MCBA! I am sure that I've not captured all of Todd's contributions over the years.
