**Do you intend to practice law in McLean County?**

Yes

**Explain your ties to McLean County and/or why you hope to practice law in McLean County**

I was born and raised in Bloomington, Illinois. From attending high school at Central Catholic High School to pursuing my undergraduate degree at Illinois Wesleyan University, I have spent a great deal of my life within McLean County.

Following completion of my first year of law school, I aspired to return to my roots and transferred to the University of Illinois College of Law. I spent my summer practicing at a firm in Bloomington, IL, which reinforced my desire to remain within the McLean County post graduation. My experience in just one semester at Illinois' College of Law has confirmed my preference for practicing in Central Illinois. I could not be more grateful to be living near my loved ones once again and I am thoroughly eager to begin networking within a community I have lived in all my life.
