

Join our community of good neighbors. Be a State Farm® intern.

Corporate Law Internship: Summer 2023

Bloomington, Illinois

Overview

We are not just offering a job but a meaningful career! Come join our passionate team!

As a Fortune 50 company, we hire the best employees to serve our customers, making us a leader in the insurance and financial services industry. State Farm embraces diversity and inclusion to ensure a workforce that is engaged, builds on the strengths and talents of all associates, and creates a Good Neighbor culture.

Responsibilities

State Farm is offering a summer internship opportunity in a high performing, Fortune 50 in-house Law Department that provides legal counsel to a variety of business units across the Enterprise. The Law Department is comprised of over 750 attorneys that provide a broad range of legal services, from employment law to tax, investments to privacy, intellectual property to regulatory work, and of course insurance law. Our ability to collaborate across disciplines supports the development of comprehensive and innovative legal solutions for our corporate client.

Our Law Department employees perform challenging work in an empowering environment. We encourage professional and personal growth and support our team in their ongoing development. It's a part of who we are and have been since 1922. Our mission is to provide outstanding legal service at a reasonable cost wherever and whenever our corporate client needs it. Diversity and inclusion are central to everything we do. It's evident in every relationship we have – within the workplace where all associates are treated with respect and dignity, and in the community through pro bono legal services, charitable giving, and community service. State Farm's legal practice, while demanding, respects the need for balance between professional, family and community obligations.

We are committed to the success of our interns, who will have a designated supervisor as well as individual resources, including a mentor and a writing coach. Additionally, interns will have the opportunity to work one-on-one with attorneys and Law Department leadership on assigned projects. Throughout the summer, interns in the Law Department will receive exposure to a variety of practice areas within State Farm. The program strives to provide our interns with a balanced and realistic representation of the Law Department function, as well as real world exposure to the broad range of legal services we provide.

The internship period will be May 22, 2023 - August 4, 2023. The State Farm Corporate Law Summer Internship will be a paid opportunity at \$50/per hour and will have a hybrid work arrangement. The summer interns selected will also receive a \$2,000 intern stipend.
